WHEELSPI KEY FEATURES

WheelsPi is a powerful, cloud-based vehicle management software designed to streamline operations in location & smart fuel leakage tracking system. Here's why WheelsPi is the right choice for you:

Vehicle Management

Efficiently handle with real-time GPS tracking to monitor vehicle performance i.e. service history, fuel average, trip history etc.

Fuel Management

Monitor fuel usage, detect patterns, and log irregularities such as refueling events and potential leakages.

Report Analysis

Generate comprehensive reports on vehicle performance and daily summaries to facilitate informed decision-making.

Data Security & Real Time Alerts

Ensure data integrity and accessibility with storage on Amazon S3 servers.
Real Time alerts on sms.

WHEELSPI BENEFITS

Increased Driver Productivity

Achieve up to a 10% improvement in driver efficiency through optimized monitoring.

Lower Maintenance Costs

Benefit from up to a 15% decrease in machinery maintenance expenses through proactive management.

Cloud based 24/7 Dashboard Camera Integration

Integrating dashboard cameras into Wheelspi's system can enhance fleet management by providing:

Reduced Fuel Consumption

Experience up to a 30% reduction in fuel usage by identifying and addressing inefficiencies.

Real-Time Location Tracking

Utilize GPS-enabled trucks to monitor shipments 24/7 via both app and desktop platforms.

Real time alerts

Sms alert for fuel refill and leakage events.

Upload Fuel Receipts

Driver can upload fuel receipts using mobile app easily

WheelsPi

TOGETHER, WE GROW—WHEELSPI WELCOMES YOU!

We have WheelsPi solutions from all states of the country using our platform.
We can't wait to welcome you.

50+

Clients onboarded across India.

100 +

OUR TESTIMONIALS

Highly recommended!

WheelsPi has significantly reduced fuel expenses in our fleet. The automated tracking and alerts ensure complete transparency.

Krishna Stone

Easy to use

Excellent software with smart features! Fuel monitoring, vehicle tracking, and automation have made our operations smoother than ever.
